How to get to us

We are situated halfway between Windhoek and the coast at the foot of the Khomas Hochland along the granite mountains.

If travelling **from Windhoek** you take the tarred road B2 / Trans Kalahari Highway and turn onto the gravel road (C32) at Karibib. Then continue SOUTH for 95 km into the mountains. Then turn right (WEST) onto the C28 for 26 km and then turn left (SOUTH) onto the D1985 for approximately 7 km. About 7 km along the D1985, you'll see our wooden sign stating: Kobo Kobo Hills Conservancy. Lodge 10 km. Drive through this gate and close behind you again, please. Continue on a farm road (single track) for 10.6 km. You will see our white umbrellas on a hilltop. You have arrived!

Another option is the C28 via the Bosua Pass or the C26/Kupferberg Pass/D1982 via the Us Pass. Both are 220 km from the lodge. However, this will take you between 3 and 4 hours to drive as you need to drive quite slowly most of the way and will be taking pictures.

Alternatively, coming **from Sossusvlei**, you drive NORTH on the D1998 after the Kuiseb Canyon into the Namib Naukluft Park along the fence and turn right / EAST onto the D1982 for 11 km and then left onto the D1985. Drive until you meet a wooden sign on the right hand side of the road. And a stone sign ahead of you stating Kobo Kobo Hills Conservancy. This is our Entrance Gate.

If approaching the lodge from the coast, **from Walvis Bay** you drive along the C14 and then after 73 km you turn onto the D1982 for 60.1 km, then turn onto the D1985. After 15.5 km, you'll see our wooden sign on the right hand side stating: Kobo Kobo Hills Conservancy. Lodge 10 km. There is also a stone sign ahead of you stating Kobo Kobo Hills Conservancy. Please turn in here. It is our ONLY gate.

Or, if approaching **from Swakopmund** take the C28 outside Swakopmund which takes you into the Namib Naukluft Park due EAST for 138 km, then turn onto the D1985. Drive about 7 km and you'll see a wooden sign and a stone sign on the left hand side of the road stating: Kobo Kobo Hills Conservancy. Lodge 10 km. This is our entrance gate. Continue through the gate for 10.6 km on a single track farm road.

You will see the white umbrellas on a hilltop. You have arrived!
